

FABRIC INSTINCT

Unique materials and colours await you in our Textile range. Ideal for creating a modern but unstructured look! Attract the eye and stir emotions in a bedroom or a dining room thanks to the hypnotic textures of the highly numerous models of the range. As in fashion, textile in décor is a matter of good taste and toning.

Don't dally and start presenting a unique and elegant style: your own.

Add elegance to your interior with our Textile range.
Its attractive, welcoming and user-friendly appearance combined with the functional properties of an adhesive coating. Make our Textile range the ideal ally for your interior decoration.
